DIRECTIONS TO THE SALE SITE
 1757 Road 2500 / Lawrence, NE 68957
From Lawrence, Nebraska
 3 Miles South on Road 2600
 1 Mile West on Road T
 1/4 Mile South on Road 2500

Thank you for your interest in our 14th Annual Lemke Cattle Bull & Heifer Sale! 75% of the sale offering are ET's from our elite donors. We continue to multiply our top genetics from our leading donors through our aggressive ET program which provides groups of top quality brothers. One of our goals is to provide our customers with the most progressive and proven genetics out there to give you an **ADVANTAGE**. Our genetics give you that **ADVANTAGE** with the ability to produce value added cattle whether retaining replacement heifers, marketing unweaned calves, backgrounded feeders, bred heifers or finished cattle.

Our program gives you an **ADVANTAGE** with decades of investment in AI and ET genetics while also investing in DNA technology to give you the most accurate Genomic Enhanced EPDs possible.

More **ADVANTAGES** include: developing bulls for longevity, carcass ultrasound testing, vaccination and fertility testing protocols, first breeding season guarantees, marketing assistance and producing genetics with the ability to qualify for elite marketing programs like Top Dollar Angus. Real genetic value and satisfied customers is our primary goal.

Please join us Friday, February 14th (on Valentine's Day!) at the ranch south of Lawrence, NE and enjoy good cattle, good food, and good people!

Sincerely,
 The Lemke Family

LEMKECATTLE.COM

LEMKE CATTLE ANNUAL BULL & HEIFER SALE

14th Annual Bull Sale
FRIDAY— 1:00 PM
FEBRUARY 14, 2020

LEMKE CATTLE SALE FACILITY — LAWRENCE, NE

41 BLACK BALANCERS — 6 ANGUS — 1 RED BALANCER — 21 RED ANGUS BULLS

SALE DAY CONTACTS

Home/Sale Barn --- 402-756-7090

ACCOMMODATIONS

Blue Hill Motel, Blue Hill, NE --- 402-756-3901

Comfort Inn, Hastings, NE --- 402-463-5252

LUNCH A beef meal will be provided sale day starting at 12:00 PM.

ABSENTEE BIDDING

Call Randy a few days prior to the auction. We can take bids over the phone during the auction, have designated bidders for you, or bid live on DV Auction, whichever you feel comfortable with. All absentee bids will be handled with integrity and professionalism.

GUARANTEE

Buyers of all bulls selling for \$4,000 or more injured during the first breeding season will have a 100% credit at the next sale at the value of the purchase price minus \$1,500 salvage value. Contact Lemke Cattle promptly in this event. The breeding season is defined as the 90 day period following the first turnout of a bull. The death of a bull will be covered with 50% credit at the next sale. Guarantee applies to bulls in single bull breeding pastures!

FEEDING

The bulls are fed a high roughage ration so they develop, not get fat. Customer feedback has been that the bulls hold up very well.

HEALTH

All bulls are on a complete health program. Vaccinated with IBR, BVD Type I and II, P13, BRSV, Pasturella, 7-way, Haemophilus, wormed and poured. All bulls have tested negative BVD.

Stephen Russell, DVM --- 785-527-0594

All bulls will have passed a fertility test and examination.

ANNOUNCEMENTS

Any announcements made sale day will take precedence over any information printed in the catalog.

SALE SUPPLEMENT

A sale supplement sheet with ultrasound data, scrotal measurements, and yearling weights will be available sale day.

DELIVERY

Free delivery of bulls in Nebraska and Northern Kansas, or meet at central locations. Transportation of females is the responsibility of the buyer and must be picked up within two days of the sale. We'll be happy to assist with transportation and females will be fed and cared for until picked up.

FREE CARE

Bulls will be fed and cared for at purchaser's risk until April 1st. Bulls may be fed after April 1st at the cost of \$4.00 per head per day. Any bulls picked up within 3 days of sale will have \$100 deducted from the purchase price.

LIABILITY

Every precaution will be taken to protect the safety and comfort of those attending the sale. All persons attending the sale do so at their own risk and neither the owner or sale staff assume any responsibility or liability, legal, or otherwise for any accidents occurring in or about the premises.

SEMEN INTEREST

Lemke Cattle will retain a 1/3 semen interest in any bull selling. Buyer receives full possession and salvage value.

EMBRYO TRANSPLANT CALVES

Embryo Transplant Calves are born to and raised from a recipient cow, therefore the actual birth and weaning weights are not an accurate representation of the calves performance. EPD's give a much more accurate picture of their true genetic potential.

All bulls have been tested and are free of genetic defects.

ONLINE BIDDING AND VIDEOS

The sale will be broadcast live on DV Auction.com with videos available two weeks prior to the sale. Visit DV Auction.com and register at least 24 hours prior to the sale in order to receive your bidder number.

For general questions, please contact the office at 402-316-5460 or support@dvauction.com.

TOP DOLLAR ANGUS FEEDER CALF PROGRAM

Top Dollar Angus is a genetic-certification and marketing company focused exclusively on the top 25 percent of the industry in carcass and growth Angus and Red Angus influenced feeder cattle. Top Dollar Angus is a program similar to other popular branded-beef programs, except that Top Dollar Angus does its branding in the feeder cattle and calf market.

Qualified herds must have two or more generations of Angus (Black or Red) genetics with growth and carcass traits objectively ranking in the top 25 percent of the breed based on documented historical sire use. DNA evaluation conducted by Zoetis or GeneSeek is another workable method to qualify. Once your cattle have met the necessary requirements, they will be marketed under the Top Dollar Angus brand and logo, and will be promoted aggressively to a large number of feed yards and buyers. In today's market, Top Dollar Angus cattle are seeing premiums ranging from \$30 to \$70 per head above the average market.

Why the premium? Cattle feeders know that Top Dollar Angus cattle perform better and have higher grid-based carcass rewards compared to other cattle. This puts more dollars per head into the cattle feeder's pocket, which can be passed back to the producer in the form of premiums paid above market price.

Top Dollar Angus helps take the guess work and surprises out of growing and feeding cattle. Feed yards are tired of unpredictable performance and wide-ranging profitability results from group to group on cattle they purchase. Cattle often look the same and have the same colored hides, but are very different genetically. That's why the genetic certification of high-end Angus and Red Angus feeder cattle is here! The industry must differentiate the best Angus and Red Angus genetics from average cattle, and that's what Top Dollar Angus will do for you!

If you have consistently invested in high-performance Angus or Red Angus genetics, Top Dollar Angus will make your cattle stand out from the pack and get you the premiums you deserve. No matter how you market your cattle, our goal is to create more demand and higher prices for your calves.

LOTS 13-16 FLUSH BROTHERS

Four flush brothers from 732 and LEM Density. 732 is a full sister to Gamebreaker whose progeny excel at rapid growth and muscle to yearling weight, but then mature at a moderate, sensible size for cow efficiency. Density sold in 2016 to Mertens Land and Cattle. His steers excel at performance and muscle and his daughters are easy keeping, moderate in frame, and high producers.

LOT 16

THINGS TO CONSIDER WHEN BUYING BULLS

1. Does your seedstock provider invest in DNA and Carcass Ultrasound testing to give you the most accurate information possible?
2. Does your seedstock provider supply all weights and data or just what they want you to see?
3. Does your seedstock provider assist in marketing your calves? Have they taken the time, effort and money it takes to build relationships & trust with feedlot managers and order buyers that have seen the extra value in your cattle.
4. Is your seedstock provider an invested Top Dollar Angus partner? If so, do their cattle actually qualify or just want that logo in the catalog somewhere to give the impression they do?
5. Does your seedstock provider still stand behind their cattle with guarantees & not charge extra for "warranty" coverage?
6. Does your seedstock provider invest heavily in Embryo Transfer & the latest technology to give you an advantage?
